

# CONSTRUCTION UPDATE

04/25/17

## Temporary Closure of Emergency Room Parking Lot

### Temporary Closure of Emergency Parking Lot

Due to removal of the data trailer, the Emergency Room Parking Lot, east of the ED entry, will be temporarily closed on 4/27/17 from 8am—11am.

Patient and Visitor parking will be affected. Patients and visitors may find available parking in the lot adjacent to the North Lobby.

As a reminder to all staff, there is no parking on campus, so please only park in areas designated for employee parking. Also, be a good neighbor and don't speed in residential areas surrounding the hospital.
